Info@highplainsfhc.org

Discrimination in the sale, financing, or rental of housing based upon race, color, religion, national origin, gender, presence of children, disability, and in North Dakota, based on age (40 and over) or status with respect to marriage and public assistance is illegal. Fair Housing laws require both private and publicly-funded housing providers to avoid discriminating against persons and groups based on protected characteristics. Come to this free workshop to find out more.
