Hello Class of 2027 –

Now that we are officially past Memorial Day, I think we can say summer is here! We are so excited to have you join us.

Items for this week:

- **Missing previous emails?** – If you did not receive any of the prior emails (#1-3), please let me know so I can send those to you.
- **Class of 2027 Facebook Page** – <https://www.facebook.com/groups/2361246804079997/>
Please consider joining if you're interested in connecting with your future classmates. Many of you have already joined the Class of 2027 Facebook Page! It's a great spot to get to know each other and ask questions. I've been dropping an ice breaker each week to help spark some conversation as well.
- **Gentle reminders** – Take advantage of this time to complete FAFSA, Claim your NDUS account, consider housing options, etc. if you haven't done so. If you do plan to reside on-campus, I encourage you to be in contact with the housing department ASAP about application deadlines to ensure you do not miss out on the opportunity.
- **Tour** – If you have not already had a chance, please let me know if you are interested in touring the Law School this summer! If unable to tour before attending, I am also more than happy to set up a meeting via Zoom with you to help answer any questions that you may have and to get to know you a little better.

Let me know if you have any other questions. Have a great week!

Pam
