

For Contracts:

Wolter Kluwer publishes both books required for Contracts. The direct link to ISBN 9781543814361 is:

[Bundle: Contracts: A Modern Coursebook, Second Edition with Connected Quizzing || 9781543814361 | Wolters Kluwer Legal Education \(wklegaledu.com\)](#)

Because a bundle is required, this may be why it is unavailable via the UND Bookstore. If I ran into an issue with the bookstore not having the required titles, I would personally purchase directly from the publisher. Their customer service is excellent. Additionally, I see that the book bundle is significantly less money now from the WK v. Amazon. Although books are often cheaper on Amazon, it is not always the case. Therefore, I do suggest checking directly with the publisher, too!

For Property:

Here is the direct link to the book bundle required for Property, ISBN: 9781543824285: [Bundle: Property Law, Second Edition with Connected Quizzing || 9781543824285 | Wolters Kluwer Legal Education \(wklegaledu.com\)](#)

As mentioned, it is unavailable via the UND website because it is a bundle deal. This is the same book bundle that was used last semester, so it is also the correct ISBN. WK might be the best option to purchase from here, too.

For Civil Procedures:

I just checked with the publisher, and it looks like the book was released early! Unfortunately, they also changed the ISBN after publication, which explains why you could not find it. The correct ISBN is 9781647088538. Here is a link to the supplement on the West website:

[Cross, Abramson, and Deason's Civil Procedure: Cases, Problems and Exercises, 4th, 2021 Supplement \(westacademic.com\)](#)

It looks like the UND Bookstore did catch that there was a new ISBN associated with this book. On the UND Bookstore website, it is currently back-ordered. I would suggest checking with the publisher as the price is the same. Gold star to you for helping me find out there was a new ISBN!
