

Hey everyone! Welcome to UND Law School. My name is Erik King and I am a 2L here at the school. I look forward to meeting many of you during orientation this upcoming week! I have some books/supplemental material from my 1L year that I wanted to offer to sell at a cheaper price than what is offered online. I looked up the list of required books that the school provided and only added the one's that were on that list. At the bottom, I included some supplemental material that helped me throughout the first year. If any of you are interested in buying some books cheaper than what is offered online please reach out to me at 701-426-3699. You can call or text. Text will likely get a quicker response.
