FALL 2024

PROFESSOR MARGARET MOORE JACKSON
margaret.jackson@und.edu
TUESDAY/THURSDAY, 8:30 – 10:20 A.M., ROOM 334

Assignment for first class – Tuesday, August 27, 2024:

- Read Federal Rules of Evidence, Rules 101-105, 401-402 (in the Capra appendix)
- Read Casebook, pp. 1-24 (Sklansky).
- Review the syllabus.
- Check the Expert Panel assignment list to see which group you are in. Group #1 is on call for our second class. If you are in Group #1, you will want to know this as soon as possible, so you can prepare.

This course has been enhanced to include exercises, small group activities, and concept reinforcement. To engage in these required activities, be sure to purchase the correct textbooks:

1. David Alan Sklansky, *Evidence: Cases, Commentary, and Problems*, (Aspen 5th ed. 2020) (with electronic access to Casebook Connect Study Center).
2. Daniel Capra, Stephen Saltzburg, *Principles of Evidence* (West 9th ed. 2022) (includes appendix with full text of the Federal Rules of Evidence).

Each student must obtain the above-referenced Sklansky casebook **new** (either print or electronic) so it includes the access codes for “Casebook Connect.”

I look forward to seeing you all this semester.
